Contributions or gifts to CAVC are not deductible as charitable contributions for federal income tax purposes. However, they may be tax deductible as ordinary and necessary business expenses subject to restrictions imposed as a result of association lobbying expenses. As required by Section 6033 of the Internal Revenue Code, CAVC estimates that the nondeductible portion of 2023 dues - the portion which is allocable to lobbying - is 100%. Therefore, only dues less that percentage may be deducted by you as an ordinary and necessary business expense for your 2023 tax year. By signing this application, I agree that the contact details can be shared with other members throughout the year and at the annual meeting.
