

Join us in Sacramento! On March 12th & 13th, California Automatic Vendors Council members will be convening in Sacramento for a Lobby Day.

The 2024 Lobby Day is a great opportunity to meet and build relationships with lawmakers and their staff to educate them about the day to day challenges of the convenience services industry. It is critical to meet face-to-face on behalf of the issues we care about. This helps personalize our issues and shows the strength of CAVC and the industry as a whole. Attached you will find a snapshot of the economic impact of the convenience service industry in CA as well as nationwide.

We look forward to seeing you in Sacramento!
